

Giving power to **WOMEN-OWNED BUSINESSES**

Creating opportunity, growth & impact.

SaskPower is committed to building a diverse supply chain. Supplier diversity and inclusive business practices are key to our procurement strategy. We are now expanding our diversity strategy to include women-owned businesses.

- **Identifying women-owned businesses**
- **Organizing supplier outreach events**
- **Onboarding and mentoring women-owned businesses**
- **Including women ownership as a criterion in our best value procurement approach**
