

To request approval of alternate Manufacturer Catalogue items, please send request to Engineering Supervisor, Standards at SaskPower. Note that approval may take a significant period of time, up to several months, depending on the evaluation criteria for the item and how quickly the manufacturer can provide requested test reports and/or samples as required.

SPC Code	Desc.	Manufacturer	Catalogue Number
10137	ANCHOR - SCREW - SINGLE 8" PISA 5 AS PER SASKPOWER SPECIFICATION LS-2060	HUBBELL POWER SYSTEMS INC.	C199-020109
		MACLEAN POWER SYSTEMS	D184B
