

SASKPOWER'S INDIGENOUS NEW HOME REBATE APPLICATION FORM

The Indigenous New Home Rebate provides financial and technical support to help enhance the energy efficiency of new, electrically heated homes being built in Indigenous communities.

This application form identifies the participant's interest in participating in the rebate program. Once submitted, SaskPower will review and provide an email identifying acceptance into the program or will provide feedback on any changes needed.

Please read the full application form and complete all sections:

PATICIPANT INFORMATION

Name: _____

Email address: _____

Phone Number: _____

Address: _____

PROJECT INFORMATION

How many homes are planned to be built? _____

Will the homes be electrically heated? Yes No

If no, your project is not eligible for the program, please contact SaskPower for more information at indigenoussolutions@saskpower.com

Have building plan/s been developed for this project? Yes No

If building plans have been developed, please acknowledge that they will be submitted with this application form via email. Yes

If building plans have not been developed, please email SaskPower to discuss next steps at indigenoussolutions@saskpower.com

Please submit the completed application form and building plan/s to:
indigenoussolutions@saskpower.com
